

Dear Music Supporter,

Westfield High School has always provided its students with exceptional opportunities to excel in both academics and extracurricular activities since its Grand Opening in 2000. Our 16-time Virginia Honor Band program has consistently showcased the outstanding talent and commitment of our students, who have worked tirelessly to reach this milestone. The Westfield High School Band Boosters Organization supports this award-winning program by seeking donations, financial support, and volunteers from individuals, businesses, and community organizations. We are a non-profit 501(c)(3) organization that strives to provide opportunities for all Westfield High School Band Program students to have an enriching musical education and opportunities beyond what the school's curriculum and/or funds can supply.

### **May we rely on your tax-deductible support for our Award-Winning Band Program?**

To ensure that our band program continues to thrive, we are seeking corporate sponsorship from respected organizations like yours. By partnering with us, you will not only support our talented young musicians but also gain valuable exposure and demonstrate your commitment to the local community. Your donation will help maximize the finances received through student participation fees and fundraising. It also helps the Booster organization provide students with performance opportunities, instrument purchases, maintenance of equipment, off-set competition expenses, camps, professional training, and scholarships.

In return, we will advertise each individual, business, or organization as a generous supporter of music at our school and community activities. Sponsors are acknowledged in many ways including:

- Thank You Sponsor banner near where thousands of parents, friends, and supporters attend various athletic events. The banner is also displayed inside the school during music concerts.
- Acknowledgment in Winter, Spring, and Jazz concert programs. Programs are web-based and can include a direct link to your business website.
- Recognition on Social Media sites (Twitter, Instagram, and Facebook)
- Contact Information Links on the Westfield High School Band website ([westfieldband.org](http://westfieldband.org))
- Certificate of Thanks to display at your place of business.
- **NEW** For the 2023 season, logo placement on marching uniforms and guard panels for the DRIVE TO SURVIVE marching show.

Westfield High School has a long tradition of excellence, including participating in the 125th Tournament of Roses Parade on January 1, 2014, and the Pearl Harbor Memorial Parade on December 7, 2022. The program currently has concert, symphonic, and percussion classes that meet each day in school. Extra-curricular ensembles include the Westfield High School Marching Band and Color Guard, Jazz Ensemble, Indoor Drumline, and Winterguard. Students in the band program are required to keep their grades up and participate in practices, performances, and competitions

Thank you in advance for supporting the band program at Westfield High School.

Respectfully,

Mike Moore, Fundraising Chair, Westfield Band Boosters Organization
